SŁOWNICTWO

Television is very educational. Every time it comes on, I go into another room and read a book.

(Groucho Marx, American actor and comedian, 1890-1977)

## Monuments

The word monument can mean different things. A monument may be a memorial: a statue or sculpture in a public place, built to remind people of a famous person or event. But a historic monument or ancient monument is an old building that is especially impressive or historically important.

Hi Grandma,  
Greetings from York. We're very busy as there are so many historic monuments to see here! You can walk along the city <sup>1</sup> \_\_\_\_\_, which used to protect York from attacks; or along the old, narrow streets and over the river Ouse. We've visited the <sup>2</sup> \_\_\_\_\_ of St Peter, known as the York Minster, and lots of smaller <sup>4</sup> \_\_\_\_\_. We've also walked to the <sup>5</sup> \_\_\_\_\_ which you can see on the card.  
Hope you're well. Lots of love,  
Laura xxx
